### REMARKS

An Examiner's Amendment was made in the Notice of Allowability dated October 5, 2007. The amendments made via the Examiner's Amendment are considered as being entered. Applicant respectfully submits that a clerical error was made during preparation of the Examiner's Amendment concerning Claim 32, which is shown as reciting in pertinent part: "The computer usable medium of Claim 32. additionally comprising..." Claim 32 should recite in pertinent part: "The computer usable medium of Claim 31, additionally comprising..." as in the originally filed application, and this is reflected in the claims section above since no change should have been made in Claim 32.

### No Disclaimers or Disavowals

Although the present communication may include alterations to the application or claims, or characterizations of claim scope or referenced art, Applicant is not conceding in this application that previously pending claims are not patentable over the cited references. Rather, any alterations or characterizations are being made to facilitate expeditious prosecution of this application. Applicant reserves the right to pursue at a later date any previously pending or other broader or narrower claims that capture any subject matter supported by the present disclosure, including subject matter found to be specifically disclaimed herein or by any prior prosecution. Accordingly, reviewers of this or any parent, child or related prosecution history shall not reasonably infer that Applicant has made any disclaimers or disavowals of any subject matter supported by the present application.

In view of the foregoing remarks, Applicant respectfully submits that the claims of the above-identified application are in condition for issuance. However, if the Examiner finds any impediment to issuance that can be resolved by telephone, the Examiner is respectfully requested to call the undersigned.
